CCC Strategic Planning Session

Soap Lake, WA, Don's Restaurant, 10:00 - 3:00

(immediately following the monthly CCC meeting at 9am)

The planning session will provide our organization time to strategize and prioritize the future progress of the Coulee Corridor Consortium, the Byway, and the relationship between the CCC and all of the communities along the Coulee Corridor National Scenic Byway.

Curt Pianalto from the Byways Resource Center will be our facilitator.
